

# ANIMAL OBSERVATION

DATE: 28.9.2021

NAME: JIKKI THE CAT

DURATION: 1 HOUR

PLACE: CIT NAGAR, CHENNAI

## BEFORE OBSERVATION

Seated comfortably on the couch, the time is 6.30pm. Some time was spent studying the environment. A cute and cosy little house and a very friendly and happy family who treat pets as their own kids. I was excited and anxious too, because I have never been around pets or raised one. At 7.00pm Tikki the cat finally woke up from his deep sleep and that's when my observation began.

Time  
7.00pm

## DETAILS OBSERVED

Tikki woke up from a nap and started playing with fellow cat, who is also a pet of the house.

7.15pm

meal time - Had cat food and milk

7.30pm

playing around the house and jumping on the furniture

7.45pm

posing for pictures with the owner.

8.00pm

got tired from all the playing and went back to sleep

After the observation, I felt so happy and it was a new experience for me. I just loved how well they were taking care of their cat. It was like a princess. I came back home, (Content and happy.)

THE WAY THE OWNERS TAKE CARE OF THEIR PET AMAZED ME, THEY TREAT IT LIKE THEIR OWN CHILD, OVERALL ITS WAS A HEARTWARMING EXPERIENCE**
